

**CASCADE WOODS NEIGHBORHOOD ASSOCIATION DIRECTORY
FALL 2017**

CASCADE WOODS NEIGHBORHOOD ASSOCIATION

Let us introduce ourselves ...

CWNA includes 360 homes in the Cascade Woods subdivision and the portion of the Cascade Terrace subdivision on the north side of 30th St. The association was organized around 1980 when a Toxic Waste Dump was proposed near the Gerald R. Ford Airport. Several organizations within Cascade Township campaigned against this project, and the people of Cascade Woods wanted to be a part of that. Hence, our existence began. Primarily due to the opposition of CWNA and other organizations, the toxic waste dump never became a reality.

A couple of years later when it was time to rebuild the Cascade Road bridge across the Thornapple River, the Kent County Road Commission intended to shut down the bridge completely. That meant that during construction, we would have to take 30th St. to Buttrick to Thornapple River Dr. just to get to the other side of the bridge. Can you imagine? Well, CWNA spoke loudly and clearly enough that the KCRC agreed to do one side of the bridge at a time.

So ... you can see that a large group's voice is heard much better than an individual homeowner's voice. In the past couple of decades we have not faced large issues, but who knows when the next one will occur? We need to stay organized so that we are ready!

CWNA Activities ... In the earlier days of CWNA, we had open houses, bridge groups, Easter egg hunts for the children and various other activities. Life has changed in the 21st century. Many women are working, and the activities for children today are innumerable as you who are parents and grandparents are well aware. Therefore, interest waned in the activities that we sponsored as an association.

Neighborhood Watch ... CWNA had one of the first Watch groups in Kent County, and it still exists today. The days of telephone trees to disseminate information are over. We now contact our members in a timely manner via email to make them aware of reports we receive directly from the Kent County Sheriff's Department. We are very proud of the fact that our neighborhood has been crime free for a long time, but that does not diminish our need to be vigilant on our own property and to be aware of any unusual activity occurring around us.

We are currently doing all of our neighborhood communication via email including newsletters and the directory. Please note that all emails from CWNA are sent by bcc. We do not share your email address with anyone! Not spending money on postage and printing enables us to move forward without collecting dues from the residents of CWNA. We do have a Facebook page and are hoping to implement a website in the future.

Our board meetings are held quarterly and are open to everyone. You will be advised by email when and where the next meeting will take place. You are encouraged to come with any suggestions you may have to help us in our endeavor. If you are unable to make the meeting, please feel free to contact any Board member or send an email to cascadewoodsassn@gmail.com.

Thank you for your support.

The Board of the Cascade Woods Neighborhood Association

Dr. Phil Johnson

We ask residents to refrain from using this directory for any solicitation purposes.

Important Local Phone Numbers

Cascade Township Office	949-1500
Kent County Sheriff (non-emergency)	632-6357
Cascade Fire Department (non-emergency)	949-1320

Dial 911 for any emergency

>>>> SPEED LIMIT is 25 mph in all residential areas <<<<<

Neighborhood Watch

Our neighborhood watch program is organized to develop awareness of unusual activity and criminal incidents. With your help our neighborhood will remain a safe place to live. If you witness any suspicious activity or behavior, please report it immediately to the Kent County Sheriff's Department at **632-6357**. They welcome your input and encourage you to call if you see anything unusual happening. As always, if the incident is an emergency, call **911**.

Summary of Cascade Township Ordinances

For a complete listing of ordinances, visit www.cascadetwp.com

Boat and RV Parking: In all residential areas, only passenger cars or trucks rated at $\frac{3}{4}$ ton or less may be parked between the front lot line and the building line of any parcel of land except for loading and unloading.

House Numbers: House numbers should be at least 3 inches high and readily visible from the road. Green reflective address markers are available from the Cascade Firefighters Association.

Animal Control: You must collect all fecal matter when walking your dog in Cascade Township. Frequent or habitual barking, howling or yelping is not permitted at any time. Dogs are not permitted to run at large without a leash less than 20 feet long and in the care of a person able to restrain the dog.

Bicycle Helmets: Persons under the age of 14 are required to wear bicycle helmets while riding bikes.

Storage of Inoperable or Junk Vehicles: An inoperable or junk vehicle or motor vehicle may not be stored on your property for more than 48 hours unless it is stored in an enclosed garage or other structure.

Noise: Noises are prohibited if they produce clearly audible sound beyond the property line between the hours of 11:00 pm and 7:00 am.

Property Conditions Declared a Public Nuisance: It is considered a public nuisance to have weeds, grasses and undergrowth higher than 8 inches. A property owner shall maintain all property, occupied or vacant, improved or unimproved, in accordance with the prevailing and existing yard and lawn maintenance practices of

all property within 500 feet of their property. This is not intended to prohibit the practice of developing natural groundcover areas, prairie yards, or gardens and lawns using accepted xerophytes plantings. It is intended to eliminate situations where property is in a state of neglect and shows no distinct plan or pattern of upkeep or maintenance.

Leaf Burning: Leaf burning is not permitted by Township statute. Watch the Township newsletter for information regarding the recycling pick up and drop off points in the spring and fall.

Open Burning: Cascade Woods is in the “restricted area” for open burning - north of I-96 and west of Buttrick Ave. Open burning of yard clippings is prohibited within the restricted area.

Open burning of shrubbery, brush, tree branches and tree trimmings (less than 6 inches in diameter) may be permitted on the **2nd and 4th Saturdays from December 1 through August 31** of each calendar year provided ALL of the following conditions are satisfied:

- a burning permit is received from the Cascade Fire Department (949-1320);
- the property owner assures the Fire Department the proposed fire is on his residential property and will remain on the premises, with constant supervision and control;
- the open burning event takes place between the hours of 8:00 am and 6:00 pm;
- the open burning event shall not occur within 25 feet of an existing building or any paved portion of a public right of way;
- the fire will last no more than three (3) hours.

In addition to the ordinances of Cascade Township, the Cascade Woods Neighborhood Association kindly requests that you be considerate of your immediate neighbors by refraining from parking vehicles on your lawn and from leaving trash containers in full view of the street with the exception of when they need to be placed by the street for weekly pick up.
